

TERMS OF USE

INTRODUCTION

These Terms of Use (“**Terms of Use**”) form a contract between you and PrimeRevenue, Inc. (“**PrimeRevenue**”) regarding your use of the system and services provided by PrimeRevenue (the “**System**”) at www.primerevenue.com (the “**Website**”). PLEASE READ CAREFULLY. BY ACCESSING THE SYSTEM YOU SIGNIFY YOUR AGREEMENT TO THESE TERMS OF USE. IF YOU DO NOT AGREE TO THESE TERMS OF USE, YOU MUST NOT ACCESS THE SYSTEM.

As used in these Terms of Use, “you” and “your” refers to both the individual accessing the System (the “**User**”) and to the entity with whom PrimeRevenue associates that individual (the “**Company**”), which has already entered into a separate agreement with PrimeRevenue (the “**Service Agreement**”) regarding Company’s use of the System.

PrimeRevenue may amend these Terms of Use at any time by posting the amended terms on the Website and notifying all Users of such amendment through a notice on the System. Unless expressly stated otherwise, the amended Terms of Use shall be effective from the date that you accept them by first accessing the System.

In the case of any conflict or inconsistency between the terms of the Service Agreement and these Terms of Use (as each may be amended from time to time), the Service Agreement shall prevail. Nothing in these terms of use shall be deemed to vary, amend or supersede the terms and conditions of the Service Agreement between PrimeRevenue and the Company or to waive or affect any claims, rights or obligations that the Company or PrimeRevenue may have.

I. ACCESS TO THE SYSTEM AND SERVICES OFFERED

1. Right to Use. Your use of the System is governed by the Service Agreement. You acknowledge that PrimeRevenue may modify the System from time to time. Company shall provide to PrimeRevenue and maintain a list of individuals who it authorizes to access the System on Company’s behalf (“**Designated Employees**”). Subject to the remainder of these Terms of Use and the Service Agreement, each Designated Employee may access and use the System using a unique identifier (“**User ID**”) and password (such item, as it may be changed from time to time by Designated Employee, the “**Password**”) issued to Company by PrimeRevenue for the exclusive use of that User. By accessing the System, User represents that User is a Designated Employee of Company at the time User accesses the System. User will not allow any other individual to use User’s User ID and Password to access the System. Company and User are jointly and severally responsible for maintaining the strict confidentiality of the User IDs and Passwords created for Users.

2. PrimeRevenue Portal Access Fees

If your Company participates as a “**Supplier**” on the System (each, a “**Supplier**”), you understand that PrimeRevenue may charge certain portal access fees (the “**PrimeRevenue Portal Access Fees**”). You hereby agree to pay such PrimeRevenue Portal Access Fees, as applicable at the time of your use of the Services, in the amount presented to you via the System or otherwise communicated to you by PrimeRevenue.

3. Ownership.

PrimeRevenue retains all right, title, and interest in and to the System, including all software and other intellectual property underlying the System and associated therewith, all derivative works thereof, and in all media, but specifically excluding any materials, intellectual property or information provided by you or other third parties (collectively, “**Member Content**”), all of which shall remain the property of the contributing party. Other than a royalty-free license to use the System during the term of the Service Agreement, nothing contained herein shall be construed as the grant of a license or other right by PrimeRevenue to you of the System or any intellectual property underlying or associated with the System. All of the design, text, graphics and the selection and arrangement thereof included in the System and the Website are protected by the copyright laws of the United States and foreign countries. As between you and PrimeRevenue, the System, the Website and all associated intellectual property rights are owned by PrimeRevenue and its licensors. All rights not expressly granted to you are reserved to PrimeRevenue and its licensors.

4. Termination of Rights.

PrimeRevenue reserves the right to: (a) reject potential Users that do not meet the reasonable rules and requirements established from time to time by PrimeRevenue for use of the System, (b) terminate your access to and use of the System, or any part thereof, if you fail to comply with such rules and requirements, permit any unauthorized third person or entity to access and use the System or attempt to assign your rights in violation of these Terms of Use, or (c) interrupt or disable access to and use of all or any part of the System or the Website if necessary to prevent or protect against fraud, hacking, or illegal conduct or otherwise protect PrimeRevenue’s personnel or the System, in PrimeRevenue’s sole discretion and without notice. If User breaches these Terms of Use, User’s right to access and use the System will end automatically with immediate effect.

II. USE OF THE SYSTEM

1. Permissible Use. You may only access and use the System for your Company's business purposes and shall maintain the confidentiality of the information obtained from the System. Further, in your use of the Website and the System, both you and your Company agree that neither you nor any employees of Company may: (a) intentionally interfere, disrupt or attempt to gain unauthorized access to other accounts on the System; or (b) use any device, software or routine, including but not limited to viruses, trojan horses, worms, time bombs and cancelbots with the intention of damaging or hindering the proper working of the System (collectively, "**Viruses**"); or (c) take any action that imposes an unreasonable or disproportionate load on PrimeRevenue's infrastructure such as originating spam or launching denial of service attacks.
2. Covenants. Your Company agrees that Company will employ industry standard software designed to prevent the introduction of Viruses into the IT systems used by User and Company's authorized employees to access the PrimeRevenue System, and shall keep such anti-virus software up-to-date in accordance with industry best practices. Further, you as User and Company agree that neither you nor Company will use the System to commit an illegal act.
